HEY! Who are you calling a buzzard? Vultures (or buzzards) have a bad reputation, but in fact, they are nature's ultimate recycler. Visit Charles Towne Landing State Historic Site, Saturday Nov. 23 to learn about these misunderstood creatures, and how beneficial they are to our ecosystem. <http://bit.ly/1j9JQuN>

**Jason Trotter** There also birds of prey (Raptors) .And illegal to harm! I see folks try to hit them when there harvesting roadkills etc....Incompetent Idiots!!!!
