## South Carolina State Parks

at 20:00:00 on 4/07/2019 UTC · 🌐

NEXT WEEKEND! Travel back in time at Charles Towne Landing State Historic Site and help us celebrate “the birth of South Carolina” at our Founders’ Day Festival - Saturday, April 13, from 10am to 5pm. Living history staff will bring to life the site’s fascinating history through a variety of programs and activities. 17th-century re-enactors will interact with visitors in authentic encampments located within the reconstructed palisade wall that protected Charles Towne in the 1670s.
