---

Mr. Bryant,

I was so thrilled that Mr. Stephen Goldfinch introced me to you and your wife, Ann at Rioz bible study on Thursday. It was such an honor to shake your hand.

As a reminder, I am the old guy who has a God led ministry to have churches foster a foster family; being modeled after TNFosters.org

It is amazing how God continues to lead me on this project.

I am so honored to have had the privaledge to shake your hand.

blessings,

Christopher
