The Honorable Nikki R. Haley  
Office of the Governor  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley,

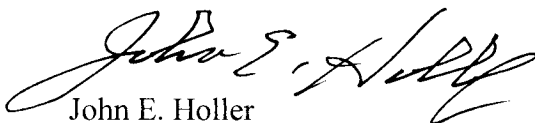

I thank you for taking the time to meet with me and the other representatives from the Palmetto Association for Children and Families on Wednesday. All of us are appreciative of your engagement and your obvious heart for children, and for creating and supporting healthy families.

We join you in the desire to provide the best possible array of preventive and remedial services that will allow every child and family system the opportunity to thrive.

I look forward to working with Susan Alford, whom I met the day after our meeting with you. She is, as you stated, very personable and engaging. We at Epworth anticipate a collaborative and productive relationship as we work to design and implement new and innovative programs and services that enhance child and family well-being, and produce the outcomes that we all desire.

Again, I thank you for your time and for the leadership you provide for South Carolina as we continue to move forward.

Very best regards,

John E. Holler
