Sometimes caring
can touch where
words can't reach.

Governor Haley,

I pray when this reaches you all is well with you and your family. I wanted you to know I am praying for you, I realize that you have been through alot these last couple of weeks and as you continue to go through, I cover you in prayer. I know things are going to get rough for you because you cannot please everybody, but know this God is pleased with you, in you efforts to make peace in our state. As I watched you on TV I saw your heart first when you tried to talk about the ~~skitings~~ skitings in Charleston and 2nd when you talked about removing the flag off of state grounds. Once again I say God is well pleased with you and I speak for so many others when I say so are we.

God Bless you & Keep you

Evangelist Reuben S. Spartz

It's so hard to find
the right words,
but I hope
you'll know somehow
how much
I'm thinking of you,
praying for you,
and caring for you.
