Our Mission

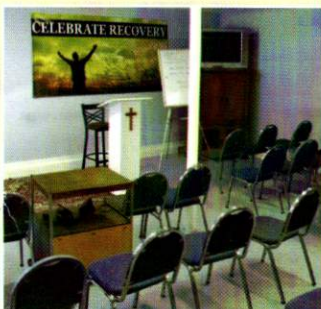

The mission of the Providence Home is to help stabilize the living conditions of dislocated men and to encourage progress in

realizing their full potential in self-sufficient living through the power of Jesus Christ.

Our Vision

Providence Home provides a progressive, spiritually dynamic ministry which is transformational in the lives of men. It is our goal to be respected as an effective transformational ministry by local churches, social and governmental agencies and the general public.

How you can help

Providence Home relies on the generous support of private organizations and individuals for the majority of its funding. Your gift of any size will make a difference.

As we continue to grow and improve our facilities and programs, your support in prayer,

financial giving, and volunteering becomes more and more important in what God is doing here.

Helping Men Celebrate Victory in Christ

"No temptation has overtaken you that is not common to man. God is faithful, and He will not let you be tempted beyond your ability, but with the temptation he will also provide the way of escape, that you may be able to endure it."
1 Corinthians 10:13

We believe that no matter what you are struggling with, the solution is always a personal intimate relationship with Jesus Christ. He is our Hope, our Comfort, and our "Way of Escape".

Rob Settle, Director

Providence Home is a 501(c)(3) non-profit Christian Community Service Program which has been providing assistance for the homeless in the greater Columbia metro area for over 50 years. It was originally founded to provide short-term care in a shelter environment for men who found themselves homeless due to substance abuse, economic problems, family breakdown or mental impairment.

Today, complex trends have changed the reasons for homelessness in the Columbia community. Providence Home is meeting the new challenge, moving beyond just serving the homeless with spiritual help, food and shelter. Our goal of "binding up the broken hearted" has not changed, but our methods of providing assistance are now organized in a highly structured environment: needs assessments, employment assistance, life-skills training, counseling and other supportive services.

These services are provided to transition our residents out of homelessness to self-sufficiency.

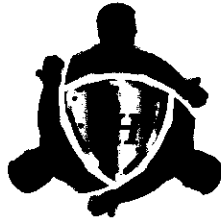

"Now I feel that I can be what God intended me to be, a positive influence toward those that God brings into my path. So, I want to say "Thank You" to everyone who is involved in my recovery. I can't say enough about how the Providence Home has helped me come from where I was, to where I am today."

TJ (Former resident and heroin addict)

"I went to the VA for treatment and they sent me to Providence Home. Now, I don't drink and drug. I go to church every Sunday, Celebrate Recovery every Friday, and Chapel services 4-5 times a week. I have joined my Church and have been reunited with my family. My daughter has her daddy back! I love the Lord! Life is great, and GOD IS GOOD ALL THE TIME."

The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton St.
Columbia, SC 29201

Dear Governor Haley,

I would love to have you come and encourage our men at the Providence Home. Providence Home is a 50 year-old Christian ministry (50 beds) in Columbia that primarily ministers to those struggling with substance abuse issues. Most of our residents are **homeless veterans** that we strive to encourage toward sobriety, secure employment, and look to and depend upon the Lord.

If you, as the governor of South Carolina, would kindly visit our ministry location at 3421 North Main Street, it would be an unbelievable encouragement to them. We have chapels Monday through Thursday at 6:45 p.m., and on Sunday mornings at 7:45 a.m. However, we would make it work for you to come at any time, if you would graciously consider this request.

With Gratefulness,

Rob Settle
