Subject: Potential Meeting with Ex-Im

Beth,

Good morning. I am writing to see if you may have availability and an interest in an appointment on Wed, June, 25th.

The subject would be the programs of the Export Import Bank of the United States and the potential for S. Carolina's exporters to leverage its mission to engage in international trade. Attached is an article I recently wrote that was published in May, 2014.

I will be in Columbia all day this Wednesday. If your schedule permitted it, we could find a time.

Jessica Philips Tyson of Senator Graham's office shared your point of contact information.

I will be Greenville on Tuesday and Charleston on Thursday. I am reaching out to organizations in each city.

Best regards,

Sean Mulvaney
