STATEMENT FROM FEDERAL MOTOR CARRIER SAFETY ADMINISTRATOR JOHN HILL REGARDING THE INDEPENDENT REVIEW TEAM'S ASSESSMENT OF THE CROSS BORDER TRUCK DEMONSTRATION PROJECT

"Transportation Secretary Mary Peters today released the final report produced by the Independent Evaluation Panel on the Cross Border Truck Demonstration Project. This report provides a comprehensive, independent, analysis of the safety measures the agency put in place to ensure the success of the project. As the report makes clear, those measures have effectively shown that U.S. and Mexican carriers can safely engage in cross-border trucking operations while providing U.S. drivers new opportunities to compete and succeed in a market where they previously were unable to operate. A copy of the report is available at <http://www.dot.gov/affairs/PanelReport.pdf>."
