Conference Chair

Clay Farris, MOSTLY MEDICAID

Clay has advised CMS administrators, state Medicaid Directors, health plan CEOs, technology COOs and a wide range of other clients in the healthcare industry. His unique blend of management consulting, project management, policy making and analytics help deliver on-time, actionable results for a wide array of business challenges.

Hello Tony,

Designed for Medicaid managed care stakeholders, the **2nd Annual Medicaid Managed Care Leadership Summit** is leading the way in defining improved operations and care management for Medicaid organizations by taking a deep dive into some of the most challenging issues facing your bottom-line! On **April 17-18th in Chicago**, this program will discuss best practices for analyzing risk, stabilizing contracts, community partnership development, member communication, and innovative care management for maintaining a successful Medicaid managed care product.
