Ranger Robert giving a few fishing lessons today at Table Rock State Park! A great place to fish, relax and find some peace & quiet. [www.SouthCarolinaParks.com/table-rock](http://www.SouthCarolinaParks.com/table-rock)

**Tim Johnson** so answer something for me, please. Just how does someone access that end of Lake Oolenoy? Does the entrance off of 288 close to 178 that I've seen on some maps lead all the way up to it? thanks
