Hello Katherine. This is Randy Bunch. I left you a message as well, but wanted to follow up in writing. Governor Haley and Bobby Hitt were gracious enough to invite me to the First Gentleman's event in April. Very unfortunately, the president of our company (from Germany) is visiting our facility at the exact same time and I will not be able to attend the event. The timing is terrible, as I was so excited to see the invitation come across my desk. I truly appreciate what Governor Haley has done for the state in terms of business climate, job creation, tax structures, etc. Please relay Bosch's appreciation and request for continued partnership with her office.

Thank you again for the invitation. I hope the event is a great success again this year.

Best regards,

**Randy Bunch**
