dallasepperson Isn't all that @scdnr WMA land? Thought Devil's Fork is south (left) of there.
at 13:20:41 on 8/31/2016 UTC

scstateparks @dallasepperson Yes, Jumping Off Rock is maintained by DNR. The only public access point to the lake is Devils Fork and Jumping Off Rock is a much beloved location by park visitors and it provides a great view of the lake and park.

emily_of_vindor Aw, this park is where my boyfriend and I met, on a group camping trip <3 It's the most beautiful lake I've ever seen!

rld777 Is jumping off rock accessible from devil's fork park?? I've been to the park several times and can't find this spot? Help! I want to go here! 😊
at 17:21:11 on 8/31/2016 UTC

f8aaron @rld777 you have to go up hwy 178 from hwy 11. Take the left to get to foothills trail and then take horse pasture rd for 9 miles. Be sure you use a vehicle with good traction and a little lift. It's not the easiest drive but well worth it.

rld777 Thank you @f8aaron !!
