Kay Cobb Wade I wasn't there, but these things I know: 1) Hiking warms you up! 2) You can see the waterfalls better (a LOT better) when the leaves are off the trees 3) Don't worry at all about snakes at this time of year 4) The deals offered by DFSP to stay in the villas are UNBEATABLE. Really... the fourth night for only \$30? Do it!

Judy Whiting This was a great group, with exceedingly competent and friendly rangers, pleasant hikes, and lovely views. I'm so glad I was part of it.
