Dear Governor Haley,

I urge you to protect my and yours 2nd Amendment right. Our forefathers thought this to be one of the most important rights. The nullification of congress over our 2nd Amendment rights by use of executive action and other directives by federal departments over reaches the governments authority and side steps the legislative body that was instituted to protect our great country from tyranny. You must continue the fight, letting the actions of a few rule our rights is not fair, just, or constitutional. I voted for you, now i have to depend upon you to do what it takes. Don't make a fool out of me. God Bless South Carolina, and the United States of America.

Very Respectfully,  
Brandon Vander Ploeg
