TIDBIT! On January 9, Governor Henry McMaster will be inaugurated as the 117th governor of SC, for 4 years --but did you know SC governors at one time only served 2-year terms? Take a look at the certificate South Carolina's 68th Governor William H. Gist received when he was elected to the position, by the General Assembly. It states his term will be only 2 years in duration. This certificate is now exhibited at Rose Hill Plantation State Historic Site. A pretty cool piece of history!

Charles Slate 2 years sounds like a great idea.
