Two things: Any comment on the budget surplus coming in lower than anticipated? Anything on that list Haley's upset about not getting funded, i.e. should've been funded differently? The biggest item is \$4.3 million for the DOR to implement SCITS. Not sure exactly what that is and what it's non-funding means. DOR's spokeswoman already on vacation.

Also, go ahead and send me the gov's response on the email. At this point, I'm still unsure whether I'm following that but need to have it on hand.
