The flag had nothing to do with the maniac who killed those people. The naacp is a racist group. The flag was just another reason for ignorant people to cause a stir. I also blame the media we don't cause a big fuss when black people kill whites and it happens every day. The media fuels the fire and stirs the pot. Land of the free home of the brave... Our country keeps jumping through hoops as not to offend people and it's getting out of control. I thought we were all Americans no matter our color we should quit letting silliness divide us and band together as Americans.
