State Auditor Search Committee members,

This email is just a reminder about trying to schedule a time in September or October for this candidate to come to Columbia for interviews. Please let me know whether or not your principle wants to meet with the candidate and also provide me with any dates in September or early October that your principle would be available for the meeting. Then, I can contact the candidate to schedule a specific date for him to come to Columbia. Please let me know if you have questions or other suggestions. Thanks.

State Auditor Executive Search Committee members,

Please see the response below that I received from the candidate. Will you send me some dates that would work for him to come to Columbia in September? Or the next Board meeting is scheduled for October 14 if you want to wait and try to have him come to Columbia then. When I have preferred available dates from you, I will contact him to schedule a date. Please let me know if you have questions or other suggestions. Thanks.

Sam, I am at home for a couple of weeks recovering from back surgery ( successful ) and am not suppose to travel until the end of August . I probably should listen to the doc's and not mess up the recovery. I can meet anytime in September . Let me know if the works for the members.

I wanted to let you know that I am very interested in the South Carolina state auditor position. I hope the back surgery does not affect the opportunity. Thanks

Ken

Ken,

The Executive Search Committee for the State Auditor position met today and asked that I contact you to see if you could travel to Columbia to meet on Tuesday, August 12, 2014, with additional members of the Budget and Control Board. Please let me know if that will work for you. If you have questions, please call me at 803-896-5300. Thank you.
