### Secretary's Corner

#### \* February 4, 2013

Secretary Kathleen Sebelius made a statement about African-American History Month. : we celebrate the beginning of African-American History Month and honor the remarkable contributions that African-Americans have made to the nation's progress. At HHS, we honor the opportunities in public health, medicine, and scientific research made possible by leading African-Americans across the country." View the full release [here](#).

#### \* February 4, 2013

Secretary Kathleen Sebelius made a statement about American Heart Month. "February 1st marked the beginning of American Heart Month, a time to think about what you can do to take care of your heart. The Department of Health and Human Services is working with public and private partners to help Americans take care of their hearts and raise awareness of heart disease through our various research efforts and programs." View the full release [here](#).

### Affordable Care Act News

#### \* February 7, 2013

This second annual report details how millions of seniors and people with disabilities with Medicare continued to experience lower costs on prescription drugs and improved benefits in 2012 because of the Affordable Care Act. View the full release [here](#).

#### \* February 6, 2013

The Centers for Medicare & Medicaid Services (CMS) posted a set of frequently asked questions to the Center for Medicaid and CHIP Services (CMCS) Medicaid.gov website discussing a range of issues including the Basic Health Program, the new FMAs and how states qualify, MAGI issues, and the coverage of pregnant women and children. View the FAQ [here](#).

#### \* February 6, 2013

The National Health Service Corps awarded more than \$10 million in funding for loan repayment to 87 medical students in 29 states, the District of Columbia and Puerto Rico, who will serve as primary care doctors and help strengthen the health care workforce, Department of Health and Human Services Secretary Kathleen Sebelius announced today. View the full release [here](#).

#### \* February 4, 2013

Reforms to Medicare regulations identified as unnecessary, obsolete, or excessively burdensome on hospitals and health care providers would save nearly \$676 million annually, and \$3.4 billion over five years, through a rule proposed today by the Centers for Medicare & Medicaid services (CMS). The proposed rule supports President Obama's call on federal agencies to modify, streamline regulations on business. View the full release [here](#).

#### \* February 4, 2013

The Centers for Medicare & Medicaid Services (CMS) announced a new initiative designed to identify, test, and evaluate new ways to improve care for Medicare beneficiaries with End-Stage Renal Disease (ESRD). Through the Comprehensive ESRD Care initiative, CMS will partner with health care providers and suppliers to test the effectiveness of a new payment and service delivery model in providing these beneficiaries with patient-centered, high-quality care. View the full release [here](#).

## Healthcare.gov Blog

### \* February 7, 2013

Secretary Kathleen Sebelius wrote a blog to discuss how the ACA saves seniors billions on prescription drugs. "For the third straight year, the Affordable Care Act provided millions of American seniors and people with disabilities on Medicare lower costs on prescription drugs and improved benefits. Since the health care law's enactment, 6.1 million Medicare beneficiaries have saved over \$5.7 billion on prescription drugs." View the full post [here](#).

### \* February 4, 2013

Secretary Kathleen Sebelius wrote a blog to discuss American Heart Month. "February is American Heart Month, which makes this a good time to talk about the ways the Affordable Care Act helps us take better care of our hearts. Right now, heart disease is the leading cause of death in the United States." View the full post [here](#).
