Katherine,

The SCFRW estimates that there will be about 125 attending but not all would stay for the awards ceremony.

Dear Katherine,

On behalf of the General Assembly Women's Leadership Council and the SC Federation of Republican Women, please accept this invitation for Governor Haley to attend and assist with events during the combined annual WOMEN OF DISTINCTION and RED DAY at the SC Statehouse on May 7, 2014.

The proposed agenda will begin with the SC Federation's noon luncheon (probably at Seawell's) where the various clubs from across the state will gather & network and share information on their visits to the statehouse and other events of the day as well as upcoming work for campaign season, etc. Governor Haley is invited to attend if she is available.

Following the luncheon, the group will move to the statehouse grounds where they will visit the House & Senate and be recognized if possible and then visit their representatives, take tours, etc.

Sometime that afternoon, hopefully between 3:00 and 4:30 p.m, we will ask everyone to move to a location for the GAWLC's Afternoon Tea and Women of Distinction Awards.

The General Assembly Republican Women (aka The General Assembly Women's Leadership Council) would like to

request that their event, an afternoon tea including the state's WOMEN OF DISTINCTION AWARD ceremony be held with Governor Haley and possibly at the mansion. It is our hope that Governor Haley would allow us to hold this event in her home, attend, and assist us in presenting our awards.

As I mentioned, timing for that would hopefully be sometime between 3 p.m. and 4:30 p.m. if possible, but certainly, we are thankful for whatever time is available for both Governor Haley and the mansion.

Thank you for your help in coordinating this special day and we are available to work through any details or arrangements needed.

Sincerely,

Deborah Long & Shannon Erickson
