Manitowoc, WI · Feb 26, 2016

They did this to my son (WI) who is cognitively impaired and because he told them what they wanted to hear just so he could go home he now has a permanent record. Why? Because by the time it actually was heard in front of a judge he was already 18 and considered an adult in the courts eyes. They could have cared less txt he had a learning disability of approx 6 years younger than his true age. This injustice has to stop!!
