Dear Dr. Keck:

I am enclosing herewith a copy of a facsimile that I recently received from my constituent, Eralphia Eckles, Jr. As you can see, Mr. Eckles would like for his parents, Eralphia Eckles, Sr. and May Eckles, to receive home health services under the Medicaid waiver program.

Dr. Keck, I would very much appreciate it if you would ask your staff to contact Mr. Eckles and provide his parents with all services possible under the governing statutes and regulations.

As always, thank you for your assistance.

Very truly yours,

Dear Senator Yeasthorman:

My father is a World War

He is in need of better services
from the Medicaid Waiver services.
Presently is unable to pay,
for his doctor services. He requires
24/7 care. He is only getting his
Medicaid paid by the Veterans
We are paying money out of our
pockets in order for him to receive in the
home. We are unable to complete
things, our mother also requires
24/7 care. My father SS is 251-24-
3881. My mother SS is 251-40-6551
You cannot imagine trying to provide
care for 2 parents. We need help urgently

This one is still pending, we've actually been speaking with the family ongoing (mostly the county office). Since we're doing that and already updated the senator's office, I didn't do a response letter since a final decision hasn't been made.

Jenny,

Do you know anything about Log 344? I don't record of it, but it is on John's list.

Brenda,

I don't have log 344 -- can you send me a copy (maybe this one was given directly to Jenny?).

This log can be closed. A response was never done on this one because it was a pending application and I just tracked it and the eligibility worker worked directly with the family. Mr. and Mrs. Eckles were applying for the waiver program. Ms. Eckles was approved back in May, but I left this pending because Mr. Eckles case was still pending. He was approved in August. So, in summary both are currently eligible for waiver services and they are aware of this.

Thanks,

Jenny Lynch

In our June update, the Eckles applications were still pending. Since that time, Jenny has been in contact with Senator Leatherman's office. On June 20, she informed Diane (Sen. Leatherman's office) that Mrs. Eckles application was approved. Mr. Eckles application has also been approved. Although the Senator's office was not expecting any further updates, Jenny called today and left a message for Diane to contact her. Once Diane calls, Jenny will inform her that Mr. Eckles was also approved for the waiver program.
