Adam,

Thank you for reaching out on this issue. I apologize for the delay in reaching back out. I have located some documents that came into the office on this subject. Would you have time to talk this week? I am available all of Wednesday morning if there is a time that works for a call?

Hi Adam,

I have copied Richele Taylor, Chief Legal Counsel in our office, as she would be the likely recipient of those documents. I know she will be in touch.

Please let me know if you need any further assistance, and have a Happy Thanksgiving!

Best,
Beth

Subject: Transfer of the Marine Corp Property to the City of North Charleston

Hello Beth

We were in touch almost two years ago regarding the transfer of property from the Navy to the City of North Charleston. You may have received a notification from the either The Navy or the General Services Administration GSA regarding the property. The notification is a formality of the Finding of Suitability for Early Transfer (FOSET) process. The City has been in negotiations with the Navy, SCDHEC and the GSA in Washington regarding this transfer of property. The transfer was approved by the GSA and the Governor must sign the FOSET documents in order for the final transfer to occur. Are you aware of any documents that may have come across your desk regarding the Marine Corp property at the Charleston Air Force Base to the City of North Charleston?

Best Regards,
