Good morning. I know Hermine hasn't hit South Carolina yet, but I'd like to go ahead and request a few minutes with the Governor. We're live all day and night and we'd love to have a couple of minutes with her.

Thank you for your help!

Hi, my name is Josh Vexler, guest booking producer for Jim Cantore at The Weather Channel.

We are tracking the path of Hurricane Hermine, and as you know, there is a good chance it is going to impact a good portion of South Carolina.

If things get bad for the state, what is the best way for us to request an interview with Governor Haley?

Any help you can provide is greatly appreciated.
