---

Hi Katherine! Hope you are having a great week so far.

I spoke to Anastasia Shaw in Representative Powers Norrell's office today. She asked that I call Linda Stegall. Ms. Stegall was trying to freeze her 32 year old daughter's credit. Her daughter is disabled and does not have a credit history.

I spoke with Ms. Stegall this morning and explained that since her daughter does not have a credit account, there is nothing there to "freeze." I told her about the SC No Credit History Plan and e-mailed her contact information to Experian so a specialist could assist her.

I called Anastasia and gave her an update of what had been done.

Thank you,  
Chrystal
