I was Hung By My Neck. I had been going to A Dr Name Dr Walter Martin for over A Year. He Had Treated me in human form the first time I had to see him. I had never BEEN Treated That Bad My No Person music lessons A Dr I tried to 4 Times for getting a Dr Change Witch no luck. He had told me right before he told my next DOOR NEIGHBOR and My Uncle talked to Dr Martin he Was Rued he told them the same think he had told me to come up yo the ER Room he said their was nothing Wrong with me But I Was To Fat And Lazy.Whin I got up to the V A Hospital I walked in to the ER By Self witch a Walking Stick. Check my self in the person that had carried me to the ER I had To Pay This Person. He left me as soon as he could I was bleeding from both ends Whin I got up to the room I saw the people why thay was going to pull me up by a Crain witch A Sling around my body I had been a pipe welder fitter Rigger all my working life I new thay did not know nothing about putting the sling around me at all I begged them for over a hour not yo Hang Me Thay Said their was a Tag on my bed that I had yo be pull up I was Praying when I was Hung By My Neck. I wrote to you Before I was hung in August 12 2010 I told them before I was Hung I had been in a car deck when I was 16 years old had my neck broke and fused back together Whin I talked yo your Office
