First, I would call him to see if he plans to have his sister station here ask any question he needs asked during the news conference. This is important for him to do.

Second, we can ask Becca for insight on who else to send him to.

Governor Haley,

I'm a reporter with ABC 15 in Myrtle Beach and I'm doing a story on the gas outage at many stations in our area(Marion area).

I want to know if the shortage has anything to do with the pipeline break a few weeks ago?

Many people are struggling to get around, what should they be doing to get gas?

When do you expect stations to have gas again?

Anything else related to the topic of gas shortage's and outages related to Hurricane Matthew that people should know.

Thank you!
