Subject: Constituent Call - Victoria Cartier

Victoria Cartier, 202-344-9921, says she has a couple of questions for your personally. Mentioned she was looking at your bio. I tried to get her to at least give me a general subject matter. She said it was complicated and mumbled a few words (concern, municipal, constituent). I told her if she had a concern as a constituent you would likely refer her back to me. She got a little edgy at that point and she that she respectfully requests to speak to you personally and that you would probably be interested if you spoke to her.

Best Regards,
