FOR IMMEDIATE RELEASE

Robert Mueller as **FBI director under GW Bush and Barak Obama** stood by as the classic lapdog, sound asleep while the Russians and the deep state Crime Cartel looted the United States Uranium deposits. Worse than lapdogs, they had full knowledge of this

looting of our strategic Uranium supply by our enemies; yet, they sold this country out to it's enemies, not only endangering We The People but the entire planet by this skullduggery. Under Comey's watch the FBI helped other Law enforcement to set up an ambush kill box in Eastern Oregon, resulting in the assassination murder of Lavoy Finicum – a fine patriot whose loss is still mourned, leaving behind a widow and more than ten fatherless children; some foster children.

Mueller recently indicted Paul Manafort and Robert Gates, while appointed as “special counsel” by Democrat Never Trumpers for what can only be pure political reasons. When Congress got close to removing Mueller and his band of Comey Cronies, Mueller indicted a “ham sandwich” (Manafort & Gates); two men charged for crimes having nothing to do with any Trump / Russian collusion. Here we have another smokescreen to cover up the Uranium One Clinton Cartel syndicate.

Time is expired for these political debacles under the color of law. Some have wondered what grounds we have to remove Mueller and whether or not Trump properly removed Comey; wonder no longer here are the grounds:

§ 600.7 Conduct and accountability.

(a) A Special Counsel shall comply with the rules, regulations, procedures, practices and policies of the Department of Justice. He or she shall consult with appropriate offices within the Department for guidance with respect to established practices, policies and procedures of the Department, including ethics and security regulations and procedures. Should the Special Counsel conclude that the extraordinary circumstances of any particular decision would render compliance with required review and approval procedures by the designated Departmental component inappropriate, he or she may consult directly with the Attorney General.

(b) The Special Counsel shall not be subject to the day-to-day supervision of any official of the Department. However, the Attorney General may request that the Special Counsel provide an explanation for any investigative or prosecutorial step, and may after review conclude that the action is so inappropriate or unwarranted under established Departmental practices that it should not be pursued. In conducting that review, the Attorney General will give great weight to the views of the Special Counsel. If the Attorney General concludes that a proposed action by a Special Counsel should not be pursued, the Attorney General shall notify Congress as specified in [§ 600.9\(a\)\(3\)](#).

(c) The Special Counsel and staff shall be subject to disciplinary action for misconduct and breach of ethical duties under the same standards and to the same extent as are other employees of the Department of Justice. Inquiries into such matters shall be handled through the appropriate office of the Department upon the approval of the Attorney General.

(d) The Special Counsel may be disciplined or removed from office only by the personal action of the Attorney General. **The Attorney General may remove a Special Counsel for misconduct, dereliction of duty, incapacity, conflict of interest, or for other good cause, including violation of Departmental policies.** The Attorney General shall inform the Special Counsel in writing of the specific reason for his or her removal.
