**Sabrina Dutton** Does the park all parks passport cover the cost with this or is it different?

Just curious because we are doing the ultimate outsider with the kids. I'm sure they would love this. Are small puppies allowed?

**Barbara Kocak** Our family took this excursion. We were so excited to be able to see Dolpins on the very educational boat trip to the island. The island was filled with wonderful trails. We saw crocodiles, many different kinds of birds, wonderful views, and had a snack at the picnic tables available. The staff was very friendly and engaging. We would definitely recommend this expedition. I have posted some pictures.

**Dalton Shull** Sabrina Dutton , as I understand (and I do not work for the park service) the passport covers entry to the main park but the excursion is separate.

at 20:13:48 on 8/27/2020 UTC

**Sabrina Dutton** Dalton Shull ok. Thanks!! I will look into it.

**Amber Shaw** Do NOT forget the bug spray!! The mosquitos there are big enough to stuff and mount. We had some 98% deet and it didn't phase them. The no nats we picked up at parkers worked a little

**Carl Berube** Sabrina Dutton the pass dosen't cover the cost of the tour, but does cover the daily fee at Hunting Island. I don't think pets are allowed on the tour.

at 20:53:26 on 8/27/2020 UTC

at 21:07:08 on 8/27/2020 UTC

**Jonathan Zimpleman** Vivian Campbell Hynes, we were just down at Hunting Island and it was fantastic. We didn't do this tour, as it would have been cost prohibitive with our little ones. But the park was great. We had deer come right up to us. And raccoons came to "check on us" every night.

**Brenda Sprinkle Tucker** This is wonderful especially for those not hardy enough to stand trudging thru natural settings. For many it's difficult enough to function in level floors or cement areas.

**Barbara Kocak** We brought a backpack with water and snacks in it. There is a part of beach that you can go in the water so we also took a towel. Yes, there is a fee for the boat ride over. There is no shops on the Island. Portable restrooms and washing station.
