Subject: Meeting Friday?

---

Hi Rachel,

Bryan Stirling passed along your resume – do you have time to get together this Friday to talk about what we're up to in Gov. Haley's office, what you might be interested in working on, etc.? Ideally, it would be mid/late-morning, if that works on your end. Feel free to call or email when you get a chance, so we can pick a time/place. Thanks.

Christian
