We're tracking birds at Caesars Head State Park!

SCPRT @SCPRT

On Friday, June 4, we unveiled a new Motus wildlife tracking tower at Caesars Head State Park with our partners at @AudubonSc and @DukeEnergy. The tower is the first of its kind in the Upstate and will support critical migratory bird research in SC. 📷 [scprt.com/articles/new-t...](https://www.scpert.com/articles/new-t...)
