Katherine,

Senator Setzler received the updated list of the three counties that were added. He asked that I contact you again to reach out and ask for any assistance for Aiken County. They, too, are devastated. Anything at all that the Governor can do will be greatly appreciated by all.

Thank you,

Alisa

Katherine,

Senator Setzler asked that I contact you regarding Aiken County and the devastation that they have seen. Several have been in contact with him regarding Aiken County being added to the list of counties in need of FEMA assistance. We are directing them to also contact their federal representatives, Graham, Scott, and Wilson, but Senator Setzler asked that I email you to reach out to the Governor as well.

Any assistance in this ongoing effort will be greatly appreciated.
