Subject: Home Care Rule Webinar- Registration Closes Tonight

Hi Everyone,

Just a reminder that **our next webinar, *Understanding FLSA Compliance for Paid Family Members and Natural Supports*, is scheduled for tomorrow, Wednesday February 24th, from 3:30-4:30 PM (EST).** This webinar will explore the US Department of Labor's guidance on compliance with the FLSA when an individual receiving services has paid family members and/or natural supports. Special focus will be given on the Department's guidance regarding when plans of care that include natural supports would be considered "reasonable" under the FLSA. Time for Q&A will be included.

Single user registration is \$40 and group registration (with unlimited participants from a single organization) is \$250. NRCPDS FMS and Program Members can attend the webinar free of charge.

Registration for the webinar will close tonight. Please click [here](#) and select "Webinar" to register. After you submit your payment, we will send you a confirmation email with the log-in information.

If you are a NRCPDS member, please email membership@participantdirection.org to register rather than using the link above.

Please don't hesitate to email us if you have any questions. We're looking forward to talking with you tomorrow.

Sincerely,

Your team at the National Resource Center for Participant-Directed Services (NRCPDS).
