Wasn't sure to whom I should pass this email, but I wanted to make the group aware of these two issues, including the questions we could get about the executive order we did after the Chattanooga shooting.

Thanks.

Rob-

- 1) Victim in shooting in Chapin over weekend—SSG Charles Judge, Jr. Was a member of S.C. Army National Guard—joined in 1994. Was an Engineer Instructor at McCrady Training Center. He deployed in 2004-2005 for Operation Iraqi Freedom. Chain of command is supporting family.
- 2) Jeff Wilkinson with THE STATE interested in doing story on our Force Protection measures stemming from Chattanooga incident over a year ago. Our designated Soldiers completed training with SLED to carry a military fire arm at our facilities--- we generally don't talk about Force Protection—but he heard about it at the Military Base meeting. Wanted to let you know since this could generate follow-up questions, as these were the Force Protection measure the Governor and TAG established with support by SLED to ensure we can safeguard our work facilities.
