TO Nikki Haley

I am a Republican and want to tell Nikki Haley that I lost all my respect for her last night for attacking one of our own, namely Donald Trump. I now realize that she is just another establishment Republican and does not hold keeping America safe as one of her priorities which means, YES, limiting some immigrants from entering this country if they could bring harm to us is unAmerican, well she is not out to keep us safe. Donald Trump is not afraid of offending our enemies to keep us safe. You are an establishment Republican which we had enough of. Don't let you speech last night go to your head, because many feel the same way as I do, which is not good.
