I have checked with the City of Spartanburg and Mr. Littlejohn was elected to Commission of Public Works and that position also serves on the Spartanburg Water and Sewer Commission. And, he does receive a salary for this position.

Hope this information is helpful in obtaining an opinion as to whether or not Ms. Littlejohn would be able to serve on the Election Commission (if nominated).

I have had questions posed to me regarding the Election Commission application received from Jessie Ruth Littlejohn. She has applied to be considered to serve on the Election Commission, her husband has just been elected to the City (Spartanburg) Water District. Would you be able to find out if that would be a conflict for her if she were chosen to serve?
