Friends and Neighbors,

Many of you have asked who I will support in tomorrow's Mayoral runoff and you have asked that I make my support known, which I will do.

My reason for being involved in town government is rooted in the importance of the issues that we're dealing with now, and of those yet to come. I am committed to being informed, understanding the needs, evaluating any and all alternatives, and communicating with those that are affected. Likewise, I believe we need a mayor to do nothing less.

I have watched the way Drew Laughlin has directed Town Council and used the strength of that body to come to a consensus and consistently make the right decisions. I have been encouraged by the significant private investment that has been made on the Island and believe it only happens if those investors have confidence in local government's ability to create and maintain the right balance between residents, business, and tourism.

This has, and is happening under Drew Laughlin's watch as Mayor. Sure, there are issues and projects that we'll argue about, and some that perhaps, we think we can do better.

However, I am convinced that Drew is a man that will think about improvement, move us forward, and help Hilton Head Island draw the vitality it needs to attract the generations that follow us.

Therefore, I will vote for Drew Laughlin on Tuesday November 18. Will you join me?

Thanks!

Tom Lennox
Councilman-Elect, Ward 5, Hilton Head Island
