Hi Marcia,

Just touching base to ensure that you received the SLA. If you have any questions or would like to discuss any aspect of the document, please let me know and we will respond quickly. We are contemplating a visit to Columbia sometime next week in hopes of finalizing the agreement.

Please don't hesitate to contact me or Robert Chandler (501-240-6271) as needed. I am on Hawaii time so Robert might be most readily available. He and I are in full communication on this.

Thanks Marcia,

Dan

Marcia,

At the request of Marisa Crawford, we are forwarding the Service Level Agreement (SLA) between the DMV and SC Interactive (NIC) for the web portal project. The CIO has reviewed the attached and we are comfortable with it. SC Interactive will be in contact with you in the very near future. Please let me know if there's anything we can do.
Thanks!

Billy
