Christine from Montreal, Canada, visited Barnwell State Park this week. She saw Petie (who lives in the Barnwell State Park office) and mentioned that she had seen very few snakes in her lifetime. So.....our rangers there got Petie out of his enclosure and Christine was able to hold a snake for the first time! How cool is that?

**Jay Clingman** "And I've never been able to hold a real live Canadian before! Win, win!" - Petie

**Marianne Loheide** We got to pet Petie too because my kids grew up in Hawaii, where there is no snakes at all! It was a huge highlight of our quest so far to be ultimate outsiders. We love Barnwell State Park! ❤️

**Layla Elizabeth Manning** My son has one of Petie's skin sheds from when he was an Aiken snake! It sits on his Jr Ranger shelf! Super cool! 🐍
