## DEADLINE: MIDNIGHT TONIGHT

Nikki,

It's not enough for conservatives to have the best ideas and the best solutions. We need to get these principled ideas into the right hands.

That's why The Heritage Foundation has launched the Candidate Briefing Program and other initiatives. These programs will **educate the next generation of conservative leaders** and equip them with the intellectual ammunition to win the war of ideas.

Members of Heritage's Board of Trustees love this program, and they're challenging you to match their gift. That means **your gift is worth double by tonight's midnight deadline.**

[Donate right away to double your gift and educate more conservative leaders >>](#)

Please give generously -- and [give now](#) -- to advance your ideals in this critical year.

Please don't delay. [Your support is critical if we are to prevail in the war of ideas.](#)

Thanks for all you do.
