Hey! Hope you are well. It's a mix, some personal, some Statehouse addresses. I have also been copying the agencyinfo address at the Governor's office...do you want me to add you to the list?

Allen,
What emails are you using for the general assembly for these types of announcements?
Thanks, KV

Subject: SCDOT Winter Storm Saturday Evening Report

SCDOT crews continue to clear and treat roads in the northern counties of the state. Crews will be working overnight in District 3 (upstate) and District 4 (York and Cherokee primarily). Most of the roads in the rest of the state are in good condition, at least as far as snow and ice go. However, motorists should continue to use caution as wet spots may freeze overnight and create black ice conditions.

A detailed report by District is attached.

District 4 crews working tonight
