Please do not take down Landing Brave statue at Charles Towne Landing. The statue was donated to the park in 1977 by the original carver and it was to honor all the Native Indians of South Carolina. It would be so disrespectful and a travesty to take it down for permanent removal. Please let all the citizens of S.C. come together and help come up with a solution to preserve this gift for future guest to enjoy. We all would also like to help with the cost by collection of donations. Thanks, Joe Evans
