Dear Friends,

On behalf of the people of the Palmetto State, I am pleased to congratulate the South Carolina Association of Certified Public Accountants (SCACPA) on the occasion of your 100th Anniversary.

It's a great day in South Carolina when we can recognize one of our professional organizations that has reached such a significant milestone! Since 1915, SCACPA has played a leading role in advancing the accounting profession across our state. I want to thank SCACPA for its dedication to promoting the highest standards of professional and ethical excellence and providing valuable resources to help members achieve their goals and continue to deliver the best service possible to our citizens.

You have certainly accomplished much worth celebrating over the last 100 years, and Michael and I wish you the best in your efforts going forward. Congratulations again and God bless.

My very best,
