I live nearby in piedmont, SC and have seen a big increase in the number of homeless and needy in our area recently this would be such a benefit to the community!

I think there should be a safe place for anyone who may be homeless to stay especially in the harsh weather.

I'm signing because not only have I been homeless and know what it feels like and currently was homeless if it hadn't been for a generous and caring couple who offered their camper to me I'd still be homeless and I live in Easley and I know they need a shelter and I do like helping others when I am able...

NONE of GOD'S Creatures, walking on two legs, four legs, one leg, or NOT able to walk, AT ALL, should have to suffer from the misfortune of being homeless, and UNABLE to protect themselves from the agony, dangers, and uncertain consequences of being exposed to EXTREME weather conditions (whether COLD OR HOT).
