Are you telling me there is not a campground in this entire state of South Carolina that can handle 10 people in a cabinet

Is there a certain park you are interested in?

The only "single" cabin that we have that sleeps 10 is the Lakeside Cabin at Keowee-Toxaway: <https://southcarolinaparks.com/keowee-toxaway/lodging#jump>

The barracks at Hickory Knob also sleeps 10 people, but it is not a "traditional" cabin" <https://southcarolinaparks.com/hickory-knob/lodging#jump>

Of course, you could rent 2 cabins/villas at various parks that would accommodate 10.

Then the two options I gave you -- Keowee Toxaway Cabin & Hickory Knob barracks, are probably your best bet.

If you have more questions, I would suggest you call our reservation line at 1-866-345-7275. The folks there may be able to recommend another lodging or cabin.
