Dear Governor, *Haley*

My name is Sophia and i am a 5th grade student at Renaissance Charter school in Wellington Florida. I am doing a report on each state in the U.S. I would appreciate any information on the following:

STATE FLAG  
STATE EMBLEM  
STATE PARKS  
POPULATION  
YEAR YOU BECAME STATE

WHAT YOUR STATE IS KNOWN FOR  
FAMOUS PEOPLE FROM YOUR STATE  
PLACES OF INTEREST  
STATE FLOWER  
STATE ANIMAL

My Grandfather did this when he was in the 5th grade (a long time ago.) He received responses from all the states. He put each state on a poster board and his school hung all the information in the hallways.  
I hope i get the same results.

Thank you for your cooperation (in advanced),

Sincerely Sophia Scichilone
