Michael,  
I have received information regarding GreenEnergy Global.  
South Carolina has a plethora warehouses, office space, outdoor areas, and airline facilities that could potentially benefit from energy reduction solutions.  
I would like to set up a time for us to discuss introductions of both Governor Nikki Haley and Secretary of Commerce, Bobby Hitt.  
Are you available for a call this Friday?  
I look forward to hearing from you.  
Thank you,  
Katherine
