I have been asked by Rhonda to review our prepaid insurance coverage. The cost to our office is discussed below. Let's discuss how this affects our current office budget and whether we may need to make coverage changes.

Thanks.

I stand corrected. The premium on the current prepaid legal policy is \$48,500. If we reduced the coverage to \$250,000 the premium is reduced to \$23,500. The insurance cost for prepaid legal is split between the 3 agencies.

What would our premium be if went down to \$250,000?

Can you tell me how much we paid in legal bills under our prepaid coverage last year?

I need to finalize the insurance coverage for the year. Last year we carried \$500,000 in prepaid legal expense. The premium for this coverage is \$23,500.  
Do we wish to keep the same coverage, increase it, or decrease it?

The cost of coverage is 10% of the amount we wish to carry over the base coverage of \$15,000. provided at no additional charge.

Thanks
