Any word on Ethics/FOIA? Please get Doug info ahead of tomorrow's call. Thanks y'all.

Thanks Christian.

Ted / Josh, can either of you provide me with the legislative timelines for this year's FOIA / Ethics bills?

I am looking for general points on what has happened and where they stand as of now.

First pass. Didn't do FOIA/Ethics because I haven't worked on it...someone else would be better for the first pass on that.
